

EXECUTIVE SESSION JUNE 27, 2005

Following the regular meeting of the Wabash County Council, the Council met in Executive Session in the County Assessor's Conference Room as advertised to discuss Bonding Issues. All Council members were present.

Council discussed economic development bonding issues, rules and regulations that would help to attract business investment in Wabash County. Following discussion, members decided to research several financial possibilities to encourage growth and employment.

No other business, the Executive Session was adjourned.
