RESOLUTION: Dillon would like the Council to make a statement in regards to the Federal Mandate on COVID Vaccine and testing. Although this will have no legal standing, he feels he needs to make the statement in support of the small businesses. He said that although we acknowledge that vaccines have helped protect millions of Americans, he does oppose the government trying to mandate such treatment. Dillon also stated that OSHA would not be justified under the current circumstances. Hann stated he agrees with the statements made and would support a resolution. Pearson said she feels that it takes more courage to stand up for what we believe in rather than sit back and let things go. so she supports doing a resolution. Dale said he agrees with the points, but feels that the council is a fiscal body and should not make a statement.

Mize supports the statement, feels that the employers should be able to make the decisions on employment.

Bowman feels that a statement would show support of the local businesses to make these decisions.

County Attorney Steve Downs would like to add language to balance the resolution to give the statement that they want and still encourage residents to get the vaccine.

Auditor Shepherd informed the council that Ryan Burke with the DLGF said that it looks as though the county is under the max levy by about \$395,000 due to a calculation error. If the county would like, there is still time to re-adopt the budget before the October 31, 2021 deadline. In order to do this, the council must rescind the

adopted budget, change the budget as needed and adopt the new budget. Dillon made a motion to rescind Ordinance Number 2021-85-13 of the 2022 Approved Budget. Dale seconded the motion; it passed by a 6-0 vote.

Bowman proposed to add a Bond payment and move items back into the general fund that were moved into another fund that could not be used for that. Dillion made a motion to approve Budget Ordinance 2021-85-13 as amended, Dale seconded the motion; it passed by a 6-0 vote.
